

# EARS & EYEBALLS

SELF ISOLATION - STREAMLIST

## AFTER WORK

**MRS FLETCHER** - When her only child leaves for university, she's got time on her hands and so she starts dating and using porn, Forget the first episode and stick with this one - really smart comedy. [SKY COMEDY/NOW TV](#)

**MEAT IN THE FAMILY** - Whilst you're on self isolation check out this documentary about families who are educated about where their meat comes from, include living with the animal they have to choose to eat or save. [CHANNEL 40D](#)

## DATE NIGHT

**STRIKE BACK - VENDETTA** - The gang is back for a final hurrah, saving the world one mission at a time for this special forces unit. This is the final series, 9 episodes with Stonbridge and Scott be back? Catch up on the other 7 series as all are available on [NOW TV/SKY ONE](#).

**GOOD TIME** - Intelligent, disturbing night time odyssey by a psychotic brother trying to stay two paces ahead of the police. Robert Pattinson at his career best. [NETFLIX](#)

## IRON & WATCH

**LAST TANGO IN HALIFAX** - This is just heavenly, nicely written and in these uncertain times feels like a warm hug. [BBC IPLAYER](#)

**THIS IS US** - A couple lose a triplet and end up with twins, but before they leave the hospital they adopt a further child. A blended family told in flashback - will keep you company as you iron. [AMAZON PRIME](#)

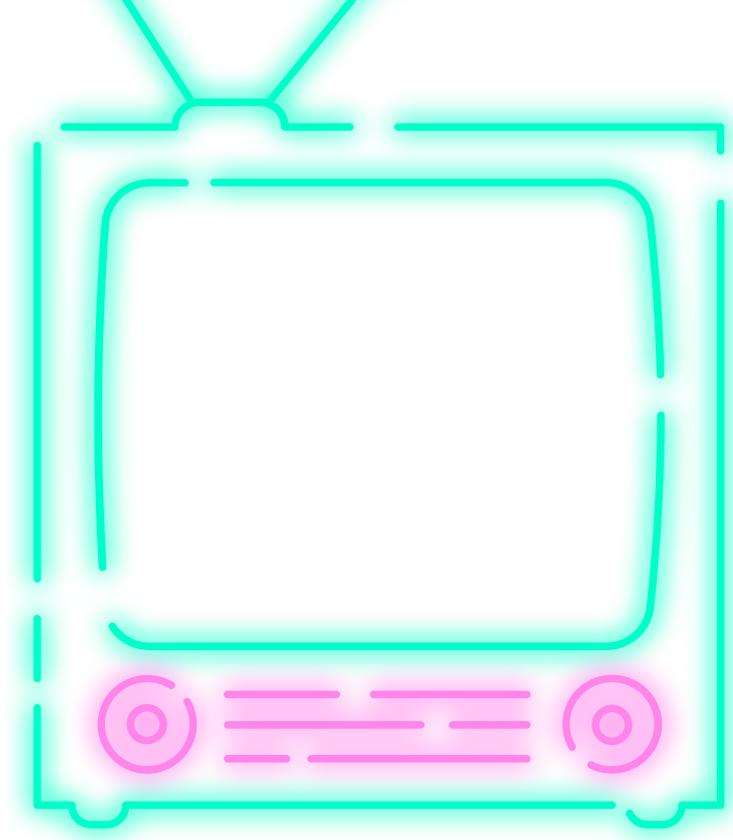

**NEWSROOM** - The news is too scary so watch some fictional news, lots of drama and really well written. [NOW TV](#)

**NOUGHTS & CROSSES** - Dystopian series set in Africa where the Africans rule and the whites are their servants. Based on the teen books, I think this is a watch and do something else whilst watching. Interesting examination of privilege. [BBC IPLAYER](#)

## WINE & CUT THE CHAT/HOW HAVE I NOT SEEN THIS?

**CAPTAIN FANTASTIC** - So self isolation can feel like living off grid, but in this smart film the family have lived off grid until the wife gets sick with cancer. Throws up all kinds of questions, should children have to suffer their parents decisions, what does freedom mean etc. [BBC IPLAYER & NETFLIX](#)

**THE RIGHTEOUS GEMSTONES** - It's all about a fictional family of tv evangelists and asks all the questions you really wanted to know ie are they crooks? Starring John Goodman. Is it wrong to laugh, you bet it is but you'll be roaring with laughter! [SKY COMEDY/NOW TV](#)

## DUVET DAY

**THE SINNER** series 3 - Bill Pullman as a detective unpicking the pieces. This is serious addictive and demands all your attention. [NETFLIX](#)

**JUSTIFIED**- US Marshal Raylan Givens returns to his hometown in Eastern Kentucky. Based on the Elmore Leonard books. This is tv drama at its finest. Walton Goggins as criminal, Boyd Crowther is award winning. It is western, mixed with personal drama and some of the most memorable lines ever. Learn what apple pie really is. 5 seasons to keep you occupied. [NETFLIX](#)

## WINE & CUT THE CHAT/HOW HAVE I NOT SEEN THIS?

**SNOW PIERCER** -If you've watched Parasite then watch, director's Bong Joon-Ho's first English language film. It considers the issue of climate change set on a train. It sounds bonkers but it works with an all star cast including Tilda Swinton, John Hurt, Chris Evans, Jamie Bell and Octavia Spencer. [AMAZON PRIME](#)

**LIAR** series 2 - Whose lying then or should I put it a different way: whose version of events do you believe. Get addicted! [ITV](#)

**HOW TO LOSE FRIENDS AND ALIENATE PEOPLE** - Luckily on self isolation that isn't going to happen to you. The book and now film with Simon Pegg is the right level of cringe mixed with dark as molasses English humour. [Chanel 40D](#)

**JUST ONE LOOK** - Finished The Stranger, well this is the next Harlan Coben series to binge. The story is moved to France. Who is Baptiste. Do you ever truly know the person you're married to? [Channel 40D](#)
